Test Laboratory

The Patriot Portable Pro Pool Lift™ is the only completely portable, independently certified ADA compliant aquatic lift on the market that has a **450lb\*** (204kg) lifting capacity. This lift requires no anchors and can easily be removed from poolside when not needed. The lift features a compact, low profile frame that does not intrude into the pool when not being used. A unique sliding mechanism allows the lift to be transported easily on its cart and then lowered onto the pool deck for use without fastening any hardware.
